

Curriculum Vitae

Rui Humberto Ribeiro Pereira

Rui Humberto Pereira holds a PhD in Computer Science, an MSc in Computer Science, and a BSc in Computer Science. He is an Assistant Professor at the Faculty of Business of the Technical University of Porto.
As an active researcher, he is an integrated member of LIACC (Artificial Intelligence and Computer Science Laboratory) and a collaborating researcher at CEOS.PP (Centre for Organisational and Social Studies). His research focuses on Databases, Machine Learning, the Internet of Things (IoT), and Information Systems Maturity Models, backed by a strong background as an IT services and software development team leader.
